

Carroll High School's site project complete for the start of new school year

The school's site improvements positively reach far more than athletics

WHAT: Carroll High School and Northwest Allen County Schools celebrate the overhaul of the stadium, marching band practice fields, soccer fields, track, football field, surrounding grounds, out buildings and parking lots with a ceremonial ribboncutting and time capsule placement.

WHO: Carroll High School and Northwest Allen County Schools staff, representatives from Weigand Construction, Barton-Coe-Vilamaa, NACS community supporters.

WHEN: **1 p.m., Thursday, July 29, 2021**
1 p.m. news conference
1:15 p.m. ribboncutting and photo-op
1:25 p.m. time capsule placement and photo-op
1:30 p.m. tours of facility and grounds

Friday, July 30, 2021
10 a.m.-1 p.m. public open house
5 p.m.-7 p.m. public open house

WHERE: Carroll High School Chargers Stadium
3701 Carroll Rd.
Fort Wayne, IN 46818

Enter campus from Bethel road's southern entrance

WHY: Carroll High School needed to revamp its campus to reflect the development and growth of the surrounding community, the school and its programs. Upgrades to traffic flow and parking build on improvements to the outdoor athletic/activity fields and facilities. This project represents the next generation of progress for the NACS district and officials want the community to have an opportunity to explore the new stadium and facilities before the start of the upcoming school year.
