Accidents happen to even the most cautious people

Recovering from an injury is tough enough, but out-of-pocket expenses for the emergency room, ambulance, hospital stay and doctors' bills can cause a financial crisis – while regular monthly bills and expenses continue to accumulate.

The solution – an Accident Expense PRO® Insurance policy

Assurity at Work®, a division of Assurity Life Insurance Company, offers employees the opportunity to protect themselves and their families from the cost of accidental injuries with an Accident Expense PRO Insurance policy/certificate.* This plan pays a fixed cash benefit for medical treatments associated with a covered accident. Better still, the benefits are paid regardless of any other insurance coverage. This affordable protection may be extended to cover an employee's spouse and children, and is also portable – it may be kept in force after leaving the current employer if premiums continue to be paid.
