

NACS Technology Agreements

NACS Network Access

NACS Network access is provided to NACS employees as authorized by the NACS administration to further the district's mission, vision, and core beliefs, per the NACS Responsible Use Policy, available on the NACS web site at www.nacs.k12.in.us/RUP.

NACS Technology Responsibility

Certain employees will be assigned technology that may be used when away from district property. These items remain the property of Northwest Allen County Schools, and the employee is responsible for its care. The employee is responsible for the full replacement cost if it is lost, stolen, or not returned to NACS upon the end of employment or as requested by administration.
